- Some events (e.g. Bronze) may also feature a direct registration ("direct confirmation"), bypassing the waitlist, if e.g. enough starting spots are provided or registration is short before event start date.

#### 6. General Info: Processing of your Event Registration Data, further info for competitors at the event

- During the event registration period and for all actions as confirmation of a starting place the FMBA will coordinate and communicate closely with the event organizer. Competitors and alternates will be forwarded information by the organizer directly, based on your registration status.
- **Your point of contact for questions regarding the event will be the event organizer directly.** If the event organizer point of contact is unclear to you or you have any other questions you are also always welcome to reach out to **riders@fmbworldtour.com for assistance.**
