Rules and Regulations

Athletes need to meet the outlined eligibility criteria for participation and adhere to the Rules and Regulations.

- Disciplines: DJ & SS
- Video submissions must include one feature / one trick only
- The trick must be from a FMBA sanctioned competition. Video's filmed outside of FMB competition will not be accepted
- Videos can be from a webcast or from a phone
- Videos must be filmed within the 2022 season. Video's do not need to be filmed within the submission timeframe.
- One submission per rider. This means riders will need to select which event level they want to submit their Best Trick for and can only submit one trick for that event level
- For a video to be considered for judging, it needs to follow the submission rules outlined below. Videos not submitted correctly, will not be considered.
- Rules & Regulations are subject to change.
